

# Industrial Experience

---

**Name:** Jordan Doell  
**Date:** April 20, 2013  
**Class:** Senior Design  
**Subject:** Industrial Experience

## Internships:

### CHR Solutions

I only had one internship while I was attending SDSMT. I worked at CHR Solutions from November 2012 to March 2013. I worked with a database application where it needed updated from C++ to C#. Even though I wasn't there for a long time, I believe it gave me some valuable real-world experience and will help my resume.
