

Industrial Experience

Austin Wentz, 4/22/13, Senior Design

Internships:

CHR Solutions

I was an intern at CHR Solutions from April 2012 to March 2013.

Projects

- Developed a comprehensive maintenance program for enterprise database systems
- Analyzed and profiled software for performance gains
- Research system stability issues

Work Experience

Security 1st Bank

I worked at Security 1st Bank from July 2007 to April 2012 as a mainframe operator, but I was also heavily involved in IT as well.
